Emily – Thank you for your inquiry. As I indicated, I'll be out of the office until next Tuesday so will need to rely on my colleagues -- cc'd here – to get you what you need by your deadline.

Subject: OPB request: warm springs disaster

Hello Bill:

How much and what type of technical assistance or any type of assistance has been made available to CTWS since the tribal council's disaster declaration of May 31? (please feel free to mention any recent, prior assistance, which might be relevant)

How is EPA responding to the disaster ?

How has the EPA responded to the lack of compliance with the SDWA documented at the CTWS drinking water treatment plant? (Context: <https://www.opb.org/news/article/clean-water-warm-springs-tribe-reservation/>)

I'd love to discuss by phone. **Best deadline is Friday**, and your help is so appreciated.

Best,
Emily
